**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rent a place in San Francisco and am very fortunate to have Sonic internet providing me fiber service to the home. It provides me a much better product than I had with Comcast previously at a fraction of the price with better service and no bundles forced down my throat.

High speed internet is critical for my ability to work from home as well as for me family's leisure, so much so that we were considering in buying a house further inland (in a town called Mi Wuk), and though we loved the house we passed on it due to the lack of any high speed internet options.
